Journey on through...

Curry College
Milton, Massachusetts

To the Curry College Class of 2001

I am pleased to extend my greetings and congratulations to the Curry College Class of 2001.

I wish to take this opportunity to sincerely wish each and every member of the Class the best of luck as you embark on the next stage of your life.

You have studied and grown at Curry College during a time of great progress for our College. You and the activities you undertook here at Curry were the key to the College's success during your time here.

The College now calls upon you to stay involved as an active and engaged Alum of the College. Together, we can make an already great College even greater.

Best wishes for continued success, and I look forward to seeing you at many future event as Curry College Alumni.

Sincerely,

Kenneth K. Quigley, Jr.

Dedication

Dedication to Tom Butler, Director of Public Safety

Tom Butler, known throughout the Curry College community as “Mr. B”, has served the Curry students for seven years. His presence, quiet and unassuming, can be seen in the Public Safety Office, at athletic events, social gatherings and just about any location where students gather. He prides himself on providing quality service with an emphasis on service. His goal is to maintain the safest environment for the students, and he does this with true dedication.

Mr. B. never seeks accolades, but students are quick to report how helpful he is in responding to their questions, concerns and/or needs. Be it someone with a flat tire who needs a life, a parent trying to reach a student, or a more serious incident, Mr. B. knows what to do. His presence gives students confidence in the Public Safety department, as their leader is clearly the most well known and well loved “officer.”

The class of 2001 lovingly dedicates this Yearbook to our own Mr. B. Thank you for all you have done and continue to do for the Curry College students.

Orientation

The theme of this year's Orientation program was "A World of Opportunities."

Students entering Curry College have a wide variety of opportunities open to them during their tenure at the college. Students are encouraged from day one to take advantage of the many great options available to each and every student.

The Curry College Class of 2004 entered Curry on a beautiful sunny day September. On September 3, 2000 over 500 new students began their tenure Curry. The faculty and staff at the college had worked hard for months to prepare for this year's record setting class. The Orientation program gave students a chance to meet new members of the Curry College community. Students arrived with family and friends and were met by a wonderful Orientation Leader staff who took time to check them in and help them get settled. Resident students were greeted in their halls by their new Resident Assistants and Resident Directors. Once all students were settled, the next three days consisted of ice breakers, motivational and educational speeches and a board breaking exercise. New students were also entertained by hypnotist Michael Anthony and comedian Tiny Glover. Students even had the opportunity to test their luck during the annual Casino Night. Twelve Orientation Leaders, Resident Assistants, countless number of faculty, staff and others helped make the next several days of Orientation educational and fun.

Parental Advice

Members of the Curry College Parent's Association share information with parents and students. Members of the parent group help with transition issues and help get the Curry community involved.

Light Reading

New students take time to read their Curry College Orientation pamphlets to learn more about Orientation. Orientation Leaders helped students get to know the campus.

Step Smiling

Araceli Evangelista enjoys working in her small group. Small group work was important to help students feel comfortable with one another.

Proper ID

Colleen Travis takes a look at her new Curry College ID. Public Safety issued college IDs to all new students during Orientation for safety and identification purposes.

Orientation

Nicole Habeeb, Elie Hawkins, David Holdsworth and other first year students listen closely as Elie shares information about himself with the group. Orientation helped new students get to know one another during their first few days at Curry College.

Follow The leader

Shawn Moses Curry leads his group to their next Orientation program. The Office of Student Activities planned a wide variety of educational and social activities to ease the transition from high school to college.

A Shoulder To Lean On

Orientation Leaders Kevin Lang and Caitlin Marino were two of the smiling upperclass students who volunteered their time to help welcome new students during Orientation. Orientation Leaders worked as mentors and role models for incoming students.

MEN'S TENNIS

Men's Soccer

The Men's Soccer team had their best year in several seasons under Head Coach Brendan Donahue. The team finished with seven wins and compiled a 4-6-1 record in the Commonwealth Coast Conference. Coach Donahue's squad consisted of only six upperclassmen and fielded an astonishing twelve Freshmen. The young team had a much improved showing over previous years.

Senior GoalKeeper Sean Timlin took home the Most Valuable Player award for the second straight season. Timlin gave away twenty six fewer goals in his Senior season. Freshman Joe Ferguson made second team All-Conference in his first year with the Colonel's. Joe also led the team in goals and points.

Curry is looking to the future with a great crop of young talent. Coach Donahue feels that the Colonel's will put together a very strong team in the years to come.

Just why my head’s not bowed.
I don’t shout or jump about
Or have to talk real loud.
When you see me passing,
It ought to make you proud.

The palm of my hand,
The need for my care.
‘Cause I’m a woman
Phenomenally.
Phenomenal woman,
That’s me.”
